A BIT ABOUT ME

I am an **ENTHUSIASTIC, IMAGINATIVE, HARD WORKING** individual who can render a masterpiece from out of nothing. After having Cancer a few years ago I have a **CAN DO** attitude, and like to keep positive in any given circumstance that is thrown at me.

My hobbies include watching F1 racing and trying my hand in race cars, football, testing computer games on PS3, and of course designing anything and everything I can.

I enjoy most of all, spending time with my wife.

EDUCATION

BA HONOURS DEGREE University of Wolverhampton	Course: Digital Media Grade: 2.1
NATIONAL DIPLOMA New College, Telford	Course: Art & Design Grade: Distinction
AS LEVEL New College, Telford	Course: Graphics Grade B
GCSE's Madeley Court School	5 A-C in Graphics, Art, French, and English Double

EXPERIENCE

CURRENTLY

Working for Yarrington Limited, an event management and creative company based in Hadnall. I have been working for Yarrington since July 2007 and have become Senior Digital Designer. My job roles include designing and managing projects from mass email campaigns to large websites, powerpoint presentations to flash cd-roms, and also graphic design roles including brand design, brochures and event delegate stationary.

PREVIOUSLY

Worked on graphics and new media projects for a few internet companies, whilst working freelance using my families company 'Muxton Consultancy' and continuing through University. Since then I have set up my own freelance site 'Jarigo' as a separate project through Muxton Consultancy that I now use as a portfolio site and occasional freelance work for family friends.

APPLICATION

I use all of these applications on a daily basis on both PC and MAC:

- Adobe CS/CS2/CS3/CS4, includes Photoshop, Illustrator, InDesign, Acrobat Pro, Flash, Dreamweaver, Contribute
- Macromedia, includes Flash 8, Dreamweaver 8
- Microsoft Office 2007, includes Word, Powerpoint, Excel, Outlook
- Direct Mail

I have had minor experience in the past in Adobe Premiere and other video applications.

For web design, I commonly use scripting language including HTML, CSS, PHP, JQuery, JS
